

**An Open Forum on Healthcare & the Web,
Mobile Technologies, Open Standards,
Social Media, Process Innovation**

SATURDAY MARCH 28 2009

THOMAS JEFFERSON UNIVERSITY
Dorrance Hamilton Hall, 11th & Locust Streets
Philadelphia PA / 8 a.m. – 5 p.m.

WHO SHOULD ATTEND

Are you a **Health practitioner** with a vision to share of how technology can do a better job improving patient care, saving time or making your job easier?

Are you a **Tech professional** or **entrepreneur** who wants to swap ideas or cases and learn from others in Health tech & those on the front lines of patient care?

Are you a **Health communicator, educator, advocate** or **policy** professional with ideas and questions about using these technologies in Healthcare now and in the reform of the Health system?

HEALTHCAMP is about putting the Web, mobile technologies, open standards, social media, and process innovation to work for better Healthcare and a better Health system. **YOU set the schedule and host the sessions in this innovative user-generated conference format. Bring ideas, make connections.**
